MEMORANDUM FOR: Charles E. Samuels, Jr.  
Director  
Federal Bureau of Prisons

FROM: Paul M. O'Brien  
Deputy Assistant Attorney General

SUBJECT: Extension of Special Administrative Measures  
Pursuant to 28 C.F.R. § 501.3 for Federal Bureau of Prisons  
Pretrial Inmate Madhi Hashi

Federal Bureau of Prisons (BOP) pretrial inmate Madhi Hashi is charged with conspiracy to provide and providing material support to a foreign terrorist organization, attempted material support of a foreign terrorist organization, receipt of training from a terrorist organization, and unlawful use of a firearm in connection with a crime of violence. Because of Hashi's proclivity for terrorism, on April 19, 2013, the Attorney General placed him under Special Administrative Measures (SAM). The SAM were most recently extended in April 2014, and are scheduled to expire on April 19, 2015. Hashi is currently housed with the BOP at the Metropolitan Correctional Center in New York, New York (MCC New York), pending trial.

For the past fifteen years, Somalia has lacked a stable central government and has been vulnerable to intense civil and sectarian violence. Since early June 2006, the Islamic Courts Union, a group of sharia courts that united to form a rival administration to the Somalian Transitional Federal Government (TFG), has aligned itself with an extremist faction of specially trained soldiers known as "al-Shabaab," which translates as "the youth." In 2008, the United States Department of State designated al-Shabaab as a foreign terrorist organization. Al-Shabaab regularly engages in combat operations, first against the TFG and then its successor, the Federal Government of Somalia, as well as the forces of other governments. Al-Shabaab has targeted all facets of Somalia's government, including police stations, border posts, and government facilities, as well as civilians and Somalia's Ethiopian and African Union supporters. Al-Shabaab has relied on violence to undermine the Somali government. For example, al-Shabaab has engaged in targeted assassinations of civilians and journalists, and has employed the use of improvised explosive devices, rockets, mortars, and automatic weapons. At various times,

al-Shabaab has captured several cities and towns in southern Somalia, including parts of Mogadishu, Somalia's capital. Al-Shabaab has also made numerous public statements which demonstrate its intent to harm the United States and its allies. For example, in July 2010, al-Shabaab terrorists murdered dozens of innocent civilians, including at least one American, in coordinated bombings in Kampala, Uganda. In early 2012, al-Shabaab announced that it was merging with al-Qaeda. Individuals from the United States and other countries have traveled to Somalia to join al-Shabaab.

The Acting United States Attorney for the Eastern District of New York (USA/EDNY) requests that SAM on Hashi be renewed because there is a substantial risk that Hashi's communications or contacts with persons could result in death or serious bodily injury to persons, or substantial damage to property that would entail the risk of death or serious bodily injury to persons. The Acting USA/EDNY bases this conclusion on Hashi's long standing relationship with al-Shabaab, his extensive combat training and experience, and the at-large status of many of his co-conspirators. The Acting USA/EDNY advises that Hashi was an al-Shabaab operative with extensive weapons and combat training who fought on behalf of al-Shabaab against Somalian government soldiers. The Acting USA/EDNY notes that, as a trained terrorist, Hashi is believed to have employed operational tradecraft to convey messages, such as multiple email accounts to communicate with co-conspirators in order to shield their communications from detection by law enforcement authorities. The Acting USA/EDNY further states that, if not placed under SAM, Hashi may seek to communicate information, instructions, or plans regarding terrorist plots to al-Shabaab members or associates in the United States and abroad.

The Federal Bureau of Investigation (FBI) recommends that the SAM on Hashi be renewed for another year. In support of its recommendation, the FBI cites Hashi's affiliation with a foreign terrorist organization (al-Shabaab), his enrollment in al-Shabaab's suicide program, his potential to inspire and radicalize others, and his willingness to violate and/or circumvent the SAM. The FBI notes that during the current SAM authorization period, BOP employees reported finding a "drop note" left by Hashi in the recreation room at MCC New York. According to the FBI, although the note was not addressed to any specific individual, it is believed that Hashi left the note with the hopes that one of his co-defendants would find it. The FBI advises that the note appeared to contain a coded message for the reader to decipher, as well as the telephone numbers of Hashi's wife who resides in Somalia and his mother who resides in the United Kingdom.

Based upon information provided to me of Hashi's proclivity for terrorism, particularly his long standing relationship with al-Shabaab and his ability to employ operational tradecraft to avoid detection, as well as his willingness to violate the SAM, I find that there is substantial risk that his communications or contacts with persons could result in death or serious bodily injury to persons, or substantial damage to property that would entail the risk of serious bodily injury to persons. Therefore, I am requesting that you, pursuant to 28 C.F.R. § 501.3, continue to implement SAM to restrict Hashi's access to the mail, the media, the telephone, and visitors. The SAM will commence immediately upon expiration of the prior SAM authorization period and will be in effect for a period of one year, subject to my further direction.

**1. General Provisions**

- a. **Adherence to Usual United States Marshals Service (USMS), BOP, and Detention Facility (DF) Policy Requirements** - In addition to the below-listed SAM, the inmate must comply with all usual USMS, BOP, and non-BOP DF policies regarding restrictions, activities, privileges, communications, etc. If there is a conflict between USMS/BOP/DF policies and the SAM, as set forth herein, where the SAM are more restrictive than usual USMS/BOP/DF policies, then the SAM shall control. If usual USMS/BOP/DF policies are more restrictive than the SAM, then USMS/BOP/DF policies shall control.
- b. **Interim SAM Modification Authority** - During the term of this directive, the Director, Office of Enforcement Operations (OEO), Criminal Division, may modify the inmate's SAM as long as any SAM modification authorized by OEO:
  - i. Does not create a more restrictive SAM;
  - ii. Is not in conflict with the request of the USA/EDNY, FBI, or USMS/BOP/DF, or applicable regulations; and
  - iii. Is not objected to by the USA/EDNY, FBI, or USMS/BOP/DF.
- c. **Inmate Communications Prohibitions** - The inmate is limited, within the USMS/BOP/DF's reasonable efforts and existing confinement conditions, from having contact (including passing or receiving any oral, written, or recorded communications) with any other inmate, visitor, attorney, or anyone else, except as outlined and allowed by this document, that could reasonably foreseeably result in the inmate communicating (sending or receiving) information that could circumvent the SAM's intent of significantly limiting the inmate's ability to communicate (send or receive) threatening or other terrorism-related information.
- d. **Use of Interpreters/Translators by the USMS/BOP/DF** - Interpreter/Translator approval requirement:
  - i. The USMS/BOP/DF may use Department of Justice (DOJ) approved interpreters/translators as necessary for the purpose of facilitating communication with the inmate.
  - ii. No person shall act as an interpreter/translator without prior written clearance/approval from the USMS/BOP/DF, which shall only be granted after consultation with the FBI and USA/EDNY.
  - iii. Interpreters/translators utilized by the USMS/BOP/DF shall not be allowed to engage in, or overhear, unmonitored conversations with the

inmate. Interpreters/translators shall not be alone with the inmate, either in a room or on a telephone or other communications medium.

**2. Attorney-Client Provisions**

- a. **Attorney<sup>1</sup> Affirmation of Receipt of the SAM Restrictions Document** - The inmate's attorney (or counsel) B individually by each if more than one B must sign an affirmation acknowledging receipt of the SAM restrictions document. By signing the affirmation, the attorney acknowledges his or her awareness and understanding of the SAM provisions and his or her agreement to abide by these provisions, particularly those that relate to contact between the inmate and his attorney and the attorney's staff. The signing of the affirmation does not serve as an endorsement of the SAM or the conditions of confinement, and does not serve to attest to any of the factors set forth in the conclusions supporting the SAM.

However, in signing the affirmation, the inmate's attorney and precleared staff<sup>2</sup> acknowledge the restriction that they will not forward third-party messages to or from the inmate.

- i. The USA/EDNY shall present, or forward, the attorney affirmation of receipt of the SAM restrictions document to the inmate's attorney.
- ii. After initiation of the SAM and prior to the inmate's attorney being permitted to have attorney-client privileged contact with the inmate, the inmate's attorney shall execute a document affirming receipt of the SAM restrictions document and return the original to the USA/EDNY.

---

<sup>1</sup> The term "attorney" refers to the inmate's attorney of record, who has been verified and documented by the USA/EDNY, and who has received and acknowledged receipt of the SAM restrictions document. As used in this document, "attorney" also refers to more than one attorney where the inmate is represented by two or more attorneys, and the provisions of this document shall be fully applicable to each such attorney in his or her individual capacity.

<sup>2</sup> "Prcleared," when used with regard to an attorney's staff, or "prcleared staff member," refers to a co-counsel, paralegal, or investigator who is actively assisting the inmate's attorney with the inmate's defense, who has submitted to a background check by the FBI and USA/EDNY, who has successfully been cleared by the FBI and USA/EDNY, and who has received a copy of the inmate's SAM and has agreed B as evidenced by his or her signature B to adhere to the SAM restrictions and requirements. As used in this document, "staff member" also refers to more than one staff member, and the provisions of this document shall be fully applicable to each such staff member in his or her individual capacity. A "paralegal" will also be governed by any additional DF rules and regulations concerning paralegals.

  - ii. **Attorney Immediate Presence Requirement** - Any use of an interpreter/translator by the attorney shall be in the physical and immediate presence of the attorney *B i.e.*, in the same room. The attorney shall not patch through telephone calls, or any other communications, to or from the inmate.

This privilege is contingent upon the following additional restrictions:
  - (1) The inmate’s attorney will not allow any non-precleared person to communicate with the inmate, or to take part in and/or listen to or overhear any communications with the inmate.
  - (2) The inmate’s attorney must instruct his or her staff that:
    - (a) The inmate’s attorney and precleared staff are the only persons allowed to engage in communications with the inmate.
    - (b) The attorney’s staff (including the attorney) are not to patch through, forward, transmit, or send the inmate’s calls, or any other communications, to third parties.
  - (3) No telephone call/communication, or portion thereof, except as specifically authorized by this document:

- h. **Documents Provided by Attorney to Inmate** - During a visit, the inmate's attorney may provide the inmate with, or review with the inmate, documents related to his defense, including discovery materials, court papers (including indictments, court orders, motions, etc.), and/or material prepared by the inmate's attorney, so long as any of the foregoing documents are translated, if translation is necessary, by a precleared interpreter/translator. Any documents not related to the inmate's defense must be sent to the inmate via general correspondence and will be subject to the mail provisions of subparagraphs 2.i. and 3.g. Documents previously reviewed and cleared for receipt by the inmate, and already in the inmate's possession at the outset of the visit, may be discussed or reviewed by the inmate and the inmate's attorney during the visit.

- ii. **General correspondence without limitations** -There is no volume or frequency limitation on correspondence to/from U.S. courts, federal judges, U.S. Attorneys' Offices, members of U.S. Congress, the BOP, and other federal law enforcement entities, unless there is evidence of abuse of these privileges, threatening correspondence is detected, circumvention of the SAM is detected, or the quantity to be processed becomes unreasonable to the extent that efficient processing to protect the security, good order, or discipline of the institution, the public, or national security may be jeopardized.
- iii. All non-legal mail shall be -
  - (1) **Copied** - Shall be copied (including the surface of the envelope) by the warden, or his or her designee, of the facility in which the inmate is housed.
  - (2) **Forwarded** - Shall be forwarded, in copy form, to the location designated by the FBI.

  - (1) A reasonable time not to exceed fourteen (14) business days for mail that is written entirely in the English language.
  - (2) A reasonable time not to exceed sixty (60) business days for any mail that includes writing in any language other than English, to allow for translation.

requests for illegal activities, the soliciting or encouraging of acts of violence or terrorism, or actual or attempted circumvention of the SAM, the mail shall not be delivered/forwarded to the intended recipient but referred to the FBI for appropriate action. The inmate shall be notified in writing of the seizure of any mail.

**4. Communication With News Media**

**5. Religious Visitation**

- a. The inmate shall not be allowed to engage in group prayer with other inmates.
- b. If a USMS/BOP/DF- and/or FBI-approved religious representative is to be present for prayer with the inmate, the prayer shall be conducted as part of a contact or non-contact visit, at the discretion of the USMS/BOP/DF.

**6. No Communal Cells and No Communication Between Cells**

- a. The inmate shall not be allowed to share a cell with another inmate.

- b. The inmate shall be limited, within the USMS/BOP/DF's reasonable efforts and existing confinement conditions, from communicating with any other inmate while in the cellblock area.

**8. Access to Mass Communications**

To prevent the inmate from receiving and acting upon critically timed information or information coded in a potentially undetectable manner, the inmate's access to materials of mass communication is restricted as follows:

Pursuant to 28 C.F.R. § 501.3

a. **Publications/Newspapers -**

- i. The inmate may have access to publications determined not to facilitate criminal activity or be detrimental to national security; the security, good order, or discipline of the institution; or the protection of the public. This determination is to be made by the USMS/BOP/DF, in consultation with the USA/EDNY. The inmate may correspond with the publishing company regarding technical aspects of the publication, i.e., availability of particular volumes, billing questions, etc. The review of this correspondence will be in accordance with section 8(a)(iii), below.
- ii. Sections of any publication/newspaper that offer a forum for information to be passed by unknown and/or unverified individuals, including but not limited to classified advertisements and letters to the editor, should be removed from the publications/newspapers prior to distribution to the inmate.
- iii. If restricted by the USMS/BOP/DF rules, access to a publication will be denied. If acceptable, upon delivery, the USMS/BOP/DF will review the publication and make the initial determination. If the FBI's expertise is required, the publication will be forwarded to the FBI for review. The USMS/BOP/DF will also forward the publication to the FBI if translations are needed to make that determination. (In these cases, the FBI shall respond to the USMS/BOP/DF within fourteen (14) business days.) The inmate shall then have access to the remaining portions of the publications/newspapers deemed acceptable, in accordance with USMS/BOP/DF policy.
- iv. In order to avoid passing messages/information from inmate to inmate, the inmate shall not be allowed to share the publication(s) with any other inmates.

- b. **Television and Radio -** The inmate is authorized to have television and radio viewing and listening privileges, in accordance with standard and applicable USMS/BOP/DF policies and procedures.

- c. **Termination or Limitation -** If the USMS/BOP/DF determines that mass communications are being used as a vehicle to send messages to the inmate relating to the furtherance of terrorist or criminal activities, the inmate's access may be limited or terminated for a period of time to be determined by the USMS/BOP/DF.

**SPECIAL ADMINISTRATIVE MEASURES (SAM)**

Pursuant to 28 C.F.R. § 501.3

**9. Access to Books**

The inmate may have access to all books that do not facilitate criminal activity or present a substantial threat to national security or the security, discipline, or good order of the institution. This initial determination is to be made by the USMS/BOP/DF and, if the USMS/BOP/DF determines that the FBI=s expertise is required, the book(s) will be forwarded to the FBI for review. In conducting its analysis, the FBI will determine whether the book advocates or promotes acts of terrorism or violence and/or whether access to the book by this particular inmate would pose a substantial threat to national security.

In order to avoid passing messages/information from inmate to inmate, the inmate shall not be allowed to share books with any other inmates.

**10. Transfer of Custody**

In the event that the inmate is transferred to or from the custody of the USMS, BOP, or any other DF, the SAM provisions authorized for this inmate shall continue in effect, without need for any additional DOJ authorization.

**11. Inmate's Consular Contacts**

The inmate, who is a citizen of a foreign country, shall be allowed Consular communications and visits, consistent with USMS/BOP/DF policy. The Consular contacts shall comply with the U.S. Department of State (DOS) Consular notification and access requirements.<sup>9</sup> Prior to permitting any Consular contact, the FBI will verify the Consular representative's credentials with the DOS.

**CONCLUSION**

The SAM set forth herein, especially as they relate to attorney-client privileged communications and family contact, are reasonably necessary to prevent the inmate from committing, soliciting, or conspiring to commit additional criminal activity. Moreover, these measures are the least restrictive that can be tolerated in light of the ability of this inmate to aid, knowingly or inadvertently, in plans that create a substantial risk that the inmate's communications or contacts with persons could result in death or serious bodily injury to persons.

Inmate – Hashi

With respect to telephone privileges, the SAM are reasonably necessary because of the high probability of calls to co-conspirators to arrange terrorist or criminal activities.

With respect to mail privileges, the SAM are necessary to prevent the inmate from receiving or passing along critically timed messages. Accordingly, I have weighed the inmate's interest in the timely receipt and/or submission of mail, with the possible danger the contents of the mail may pose to others. I have determined that delaying mail delivery to allow authorized personnel to examine a copy of the mail is the least restrictive means available to ensure that the mail is not being used to deliver requests for, or to assist in, violent threats, and/or criminal acts against government witnesses or others.

To the extent that the use of an interpreter/translator is necessary, the government has the right to ensure that the interpreter/translator given access to the inmate is worthy of trust.

The SAM's prohibition of contact with the media is reasonably necessary. Communication with the media could pose a substantial risk to public safety if the inmate advocates terrorist, criminal, and/or violent offenses, or if he makes statements designed to incite such acts. Based upon the inmate's past behavior, I believe that it would be unwise to wait until after the inmate solicits or attempts to arrange a violent or terrorist act to justify such media restrictions.

The SAM's limitations on access to mass communications are reasonably necessary to prevent the inmate from receiving and acting upon critically timed messages. Such messages may be placed in advertisements or communicated through other means, such as the television and/or radio. I believe that limiting and/or delaying media access may interrupt communication patterns the inmate may develop with the outside world, and ensure that the media is not used to communicate information that furthers terrorist, violent, and/or criminal activities.
